An exciting and unprecedented event! The dinner will feature performances from some of Sydney's most talented belly dancers from the 80's, 90's and today. There has not been a line-up of belly dancing talent like this before, and there may never be again!

This event will showcase belly dancers who have made an impact on the belly dance profession in Sydney and beyond over the last three decades. There will be exclusive performances from Amera, Leonie, Terezka, and the dancer who started it all—Rosetta!

Tickets include canapés, a two course dinner (set menu), followed by tea/coffee and mints. Dress to impress!
